If you are not traditionally a fan of conventional sports, you might enjoy flag football. This game will have you do a ton of walking, running, climbing and jumping in order to avoid being shot at while capturing a flag. It is a super fun, semi-organized, physical, team sport that requires strategy and endurance, though it is not as organized. People from all walks of life can enjoy it. It is a great game!

Ask Dr. Salem

Dear Dr. Salem,

My personal doctor says I am overweight and that I should lose at least 10 to 15 kilogrammes. Unfortunately, I don't have a lot of free time. After getting back from work, I usually help my kids with their homework for two hours. Then I have dinner and relax a little and I read a book before going to bed. Could you please give me some advice about which exercise is best to me to lose weight?

Yours faithfully,
Ahmed

Dear Dr. Salem,

Our 15-year-old daughter doesn't play any kind of team sports at school. She believes that playing sports is a waste of time if you aren't the best and you don't always get the first place. She says that winning is the most important thing about playing sports. Instead of exercising, she spends most of her time chatting on-line. Her mother would really like to see her make more friends and become more active.

Yours faithfully,
Fatma

Dear Dr. Salem,

How much exercise is too much exercise? My son exercises almost every day. He practices boxing for an hour. Then goes swimming for an hour and a half and does judo every other day. That's between 10 and 16 hours every week. He has a lot of energy and looks generally healthy, but I am worried that he might push himself to extreme limits. Too much exercise may be dangerous for him. What do you think?

Best regards

Mariam
