عند دراسة مواضيع التعبير للاختبار نأخذ في عين الاعتبار طريقة رسم المخطط، وعدد الجمل المطلوبة لكل مرحلة، والتعليمات الهامة التي يحاسب عليها الطالب في التعبير:

للصف الثامن: 1. لابد من كتابة 10 جمل على شكل فقرتين ، 2. نلتزم بالفكرتين الرئيسيتين في عنوان الموضوع، 3. تراعي الطالبة وجود جملة مقدمة وخاتمة في نهاية الموضوع. 4. نبدأ كل جملة بحرف كبير capital letter وننهيها بالنقطة full stop .

وفيما يلي مثال وشرح لطريقة كتابة التعبير:

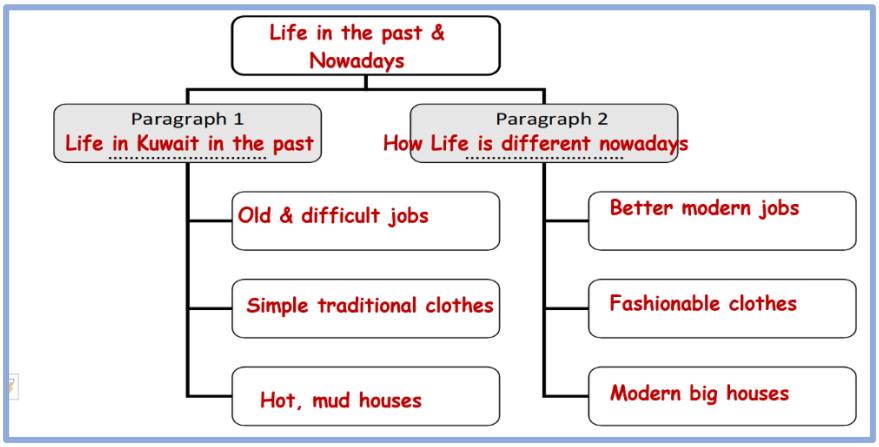

غالباً الجملة الموجودة في بداية السؤال يمكن استخدامها كمقدمة عند كتابة التعبير

"Stories make us feel alive and inspire us"

Plan and write a report of two paragraphs (not less than 10 sentences) about where stories are found in our lives and the benefits of reading stories.

الفكرة الرئيسية الأولى تكون بعد كلمة about أو discussing في رأس السؤال، والفكرة الرئيسية الثانية تكون بعد كلمة and أو then في رأس السؤال وهما:

1. where stories are found
2. the benefits of reading stories

في الفقرة الأولى نبدأ بجملة المقدمة للموضوع ككل، ثم نكتب الفكرة الرئيسة للفقرة الأولى ومعها ثلاث جمل للتفاصيل في هذا الموضوع عن اين نجد القصص من حولنا. (ليصبح عندنا خمس جمل)

في الفقرة الثانية نبدأ بالفكرة الرئيسة للفقرة الثانية ومعها اربع جمل للتفاصيل في هذا الموضوع عن فوائد القصص. (لتصبح خمس جمل) واذا كان الموضوع جدلياً نذكر رأينا الشخصي في آخر جملة

Stories make us feel alive and inspires us. Stories are an effective way to communicate with other people. Stories are everywhere around us. We hear and stories from older people all the time. Stories are found at home, at school, at work and in the movies.

Stories have many benefits in our lives. Stories can help us understand the world. They can help us reach out to people and deliver messages. Telling stories is a good way to pass wisdom to young people. Powerful stories can build trust between people.

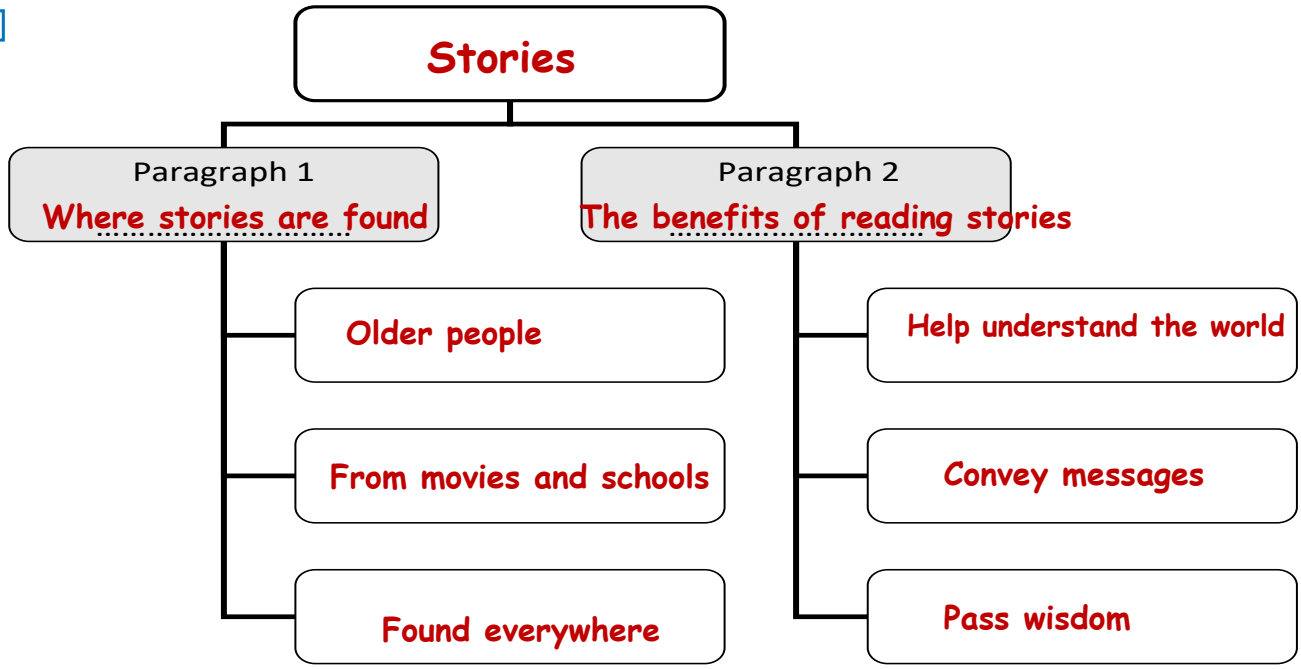

Ms. Dalal Al-Mutairi

هذه بعض التعابير المهمة والتي تكررت في الاختبارات السابقة:

1) موضوع القصص : Stories

"Stories make us feel alive and inspire us"

Plan and write a report of two paragraphs (not less than 10 sentences) **about** where stories are found in our lives **and** the benefits of reading stories.

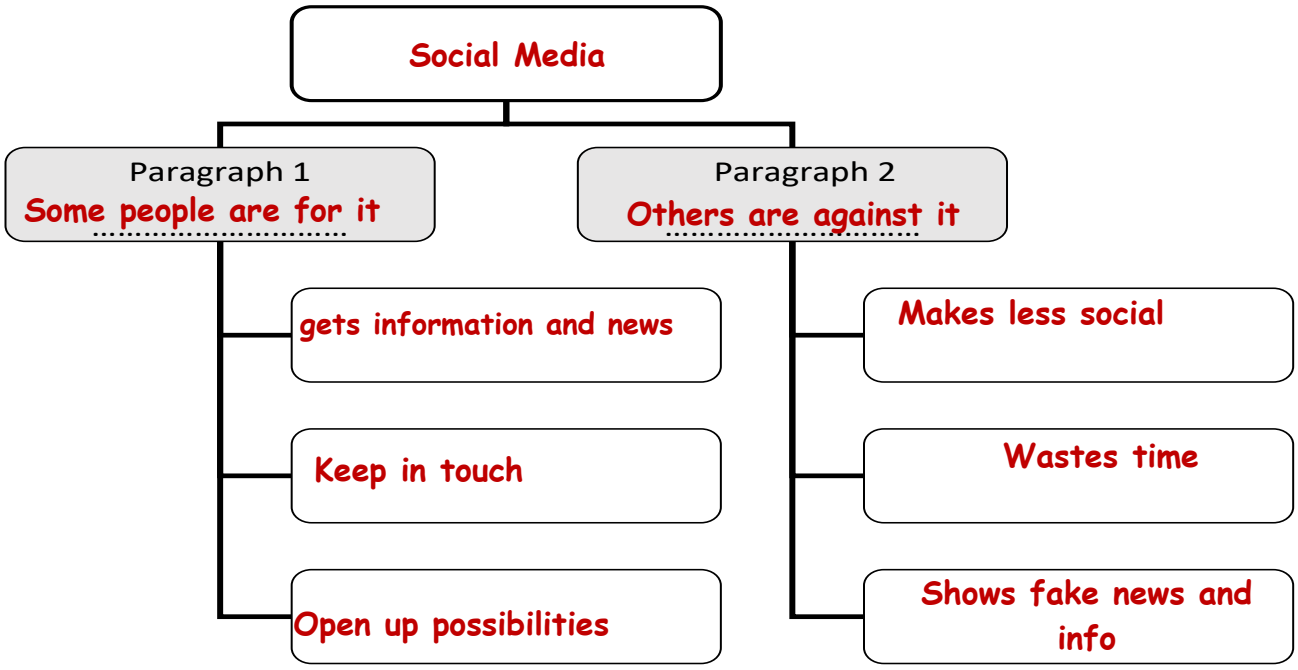

Stories make us feel alive and inspires us. Stories are an effective way to communicate with other people. Stories are everywhere around us. We hear and stories from older people all the time. Stories are found at home, at school, at work and in the movies.

Stories have many benefits in our lives. Stories can help us understand the world. They can help us reach out to people and deliver messages. Telling stories is a good way to pass wisdom to young people. Powerful stories can build trust between people.

2) موضوع وسائل التواصل الاجتماعي : Social Media

"Although social media plays a great part in our life, some people are against it."

Plan and write a report of two paragraphs (not less than 10 sentences) about why some people are for social and why others are against it. Your writing should include a topic sentence, supporting details and a conclusion.

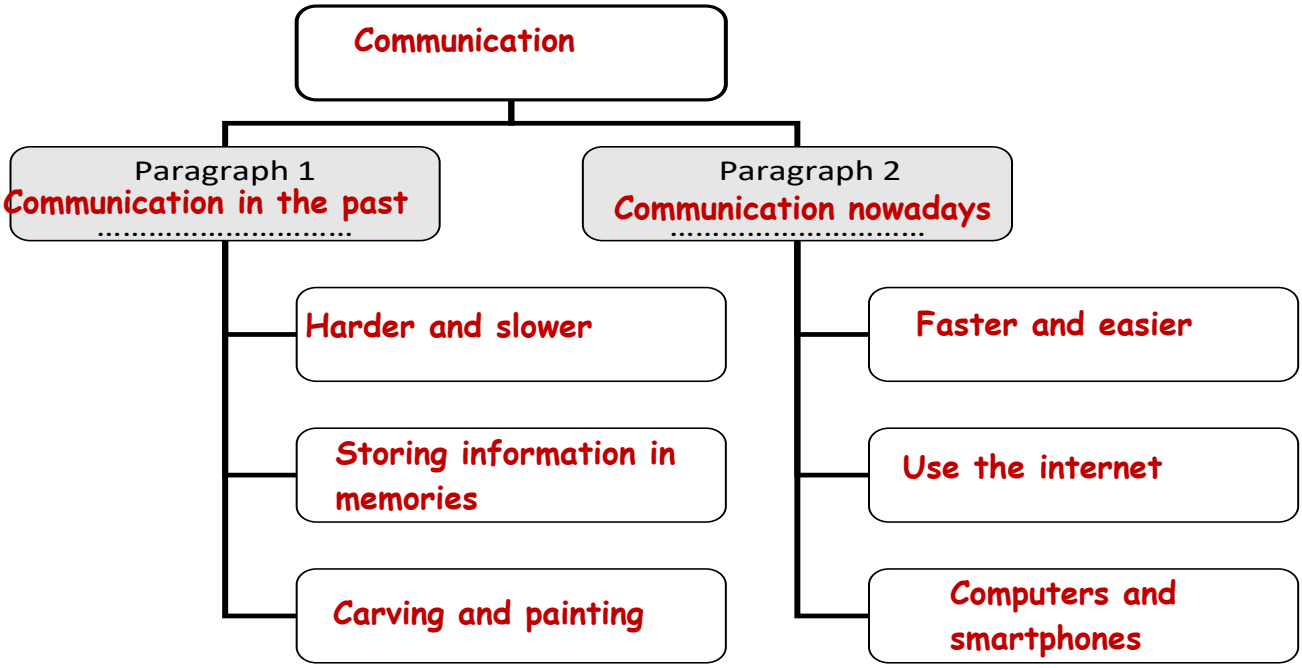

Social Media has become a great part of our life. Many people are for using social media. They think that social media opens opportunities for young people. It gives us information and the news. It helps us to keep in touch with friends and family.

Other people are against social media because it can be harmful. It can make you less social. Spending a lot of time on Instagram and Facebook wastes your time. It might show you fake news or info. I believe social media can be useful if we use it wisely.

3) موضوع التواصل مع الناس: Communication

"Communication nowadays is so much different from communication in the past "
Plan and write a report of two paragraphs (not less than 10 sentences) **comparing communication in the past and nowadays.**

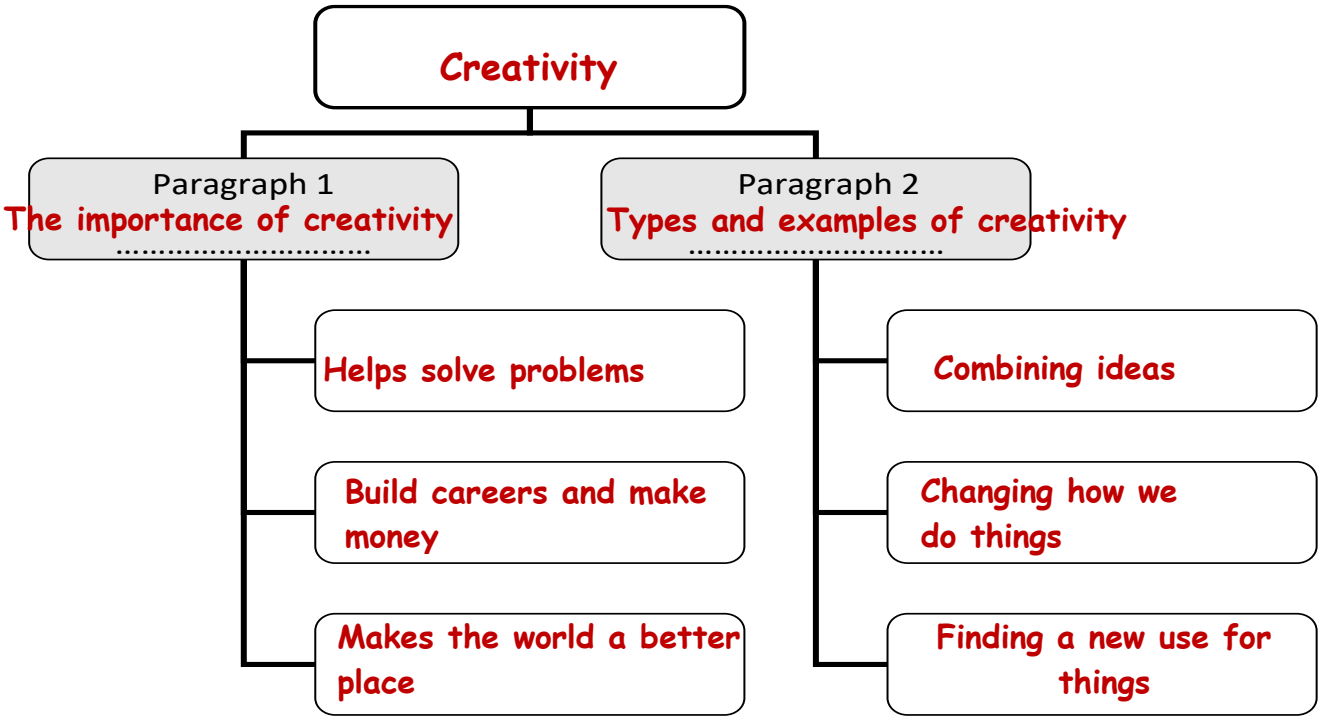

Communication nowadays is so much different from communication in the past. Communication in the past was difficult and slower. People used to communicate when they see each other face to face. They used to store information in their memories. They also used carving and painting to share ideas.

Nowadays, communication is faster and much easier. People can get all their information from the internet. They communicate using smartphones and social media. People can also use computers and telephones to keep in touch with the world. Communication helps us to share our ideas and keep in touch with the world.

4) موضوع الابداع: Creativity

" Creativity is one of the most important characteristics of being human"
Plan and write a composition of two paragraphs (not less than 10 sentences) **about the importance of being creative and the types of creativity with some examples**

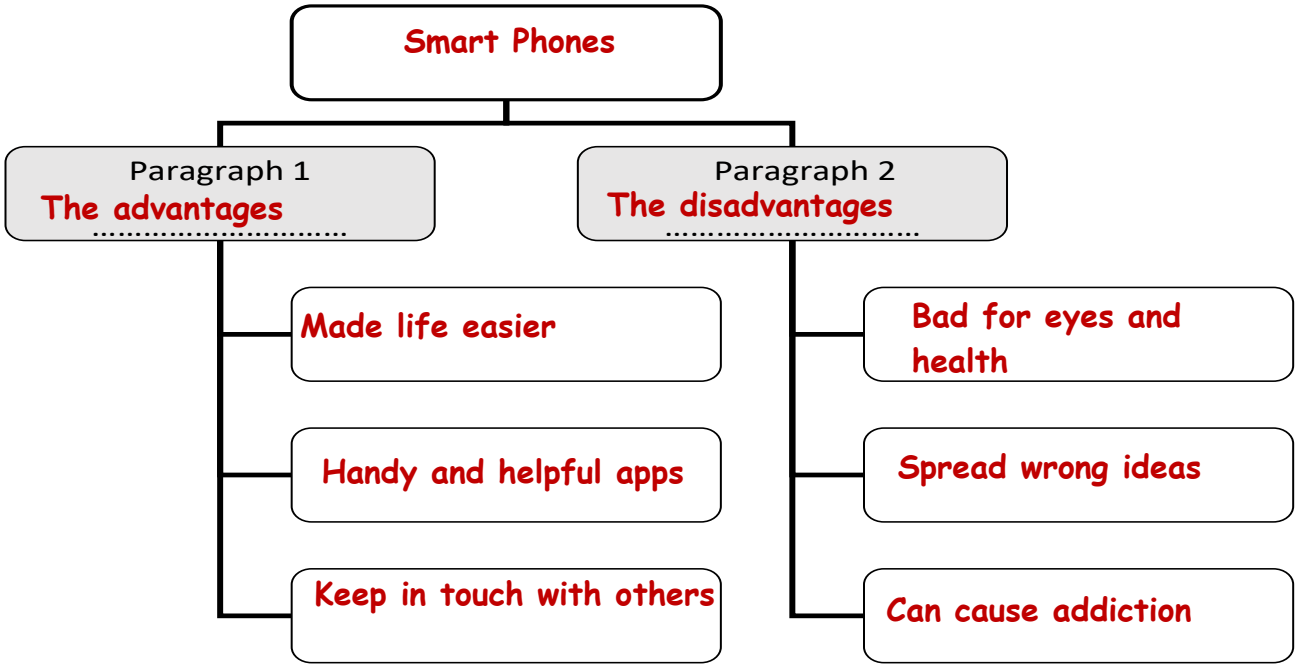

Creativity is one of the most important characteristics of being human. Creativity is using our imagination to make something original. Creativity is important to solve our problems. It helps people to build their career and make a lot of money. When creative people work hard, the world becomes a better place.

There are many ways to be creative. You don't have to create new things. You can change how we do things like operations. You can also put ideas together to be creative like the internet. Or you can find new use for things. To be really creative, you come up with ideas and act on them.

5) موضوع الهواتف الذكية: Smart Phones

"Using smartphones has its advantages and disadvantages." Plan and write a report of two paragraphs (not less than 10 sentences) **about why some people see smartphones as good and useful (advantages), while others see them as bad inventions (disadvantages), showing your opinion.**

Your writing should include (a topic sentence, supporting details and a conclusion)

Using smartphones has its advantages and disadvantages. Some people see smartphones as good and useful. Smartphones made it easier to find information fast. The apps on my smartphone are handy and helpful. Smartphones keeps us in touch with friends and family.

Other people think that smartphones are bad inventions. They can be very bad for your health if you use them a lot. Smartphones can hurt your eyes and back. They can spread bad or wrong info and news. They can cause addiction. I believe that a smartphone is great if you use it wisely.
