Date:-----

The handwriting practice sheet is divided into several sections. At the top left, there are stroke order guides for uppercase 'H' and lowercase 'h'. Uppercase 'H' is formed by three strokes: a vertical line down (1), a horizontal line across (3), and another vertical line down (2). Lowercase 'h' is formed by two strokes: a vertical line down (1) and a curved line starting from the middle of the vertical line, arching up and then down (2). To the right of these guides is a cartoon illustration of a friendly hippo. Below the stroke guides are two rows of dotted letters for tracing: the first row contains 'H' and 'h', and the second row contains 'H', 'h', and three circles. The bottom half of the sheet consists of five rows of handwriting practice lines (top solid blue line, middle dashed blue line, bottom solid red line). Each row starts with a dotted letter for tracing: the first two rows start with 'H', and the last three rows start with 'h'. Each letter has a red dot at the starting point and arrows indicating the stroke direction. The rest of each row contains empty space for independent practice.
