B) READING COMPREHENSION (16 Marks)

16

Read the following text carefully, then answer the questions below:

Reading is a good hobby that one needs to practise in life. There is no better friend than a good book. It can put you in the right direction in life. Once you start loving reading, you cannot stop it. It takes your mind to a new world. Reading is the best thing to do when you are bored, lonely, or sad. It can change your mood. A book can be with you anytime you want. It is also a way to relax and feel calm.

Reading helps you build up your language and teaches you more words. It is important to read a few pages of a good book for a few minutes every day. Reading is important because it is good for all your body. It makes your memory stronger and gives you a healthy mind. Books have information about other cultures, traditions, and history of other people's life. They make you think and bring up new ideas. When you read books, you will always go through an amazing trip.
