Lions are wild animals and they come from Africa. They live with elephants, giraffes and monkeys in the jungle. **They** are one of the **largest** animals. Lions are often referred to as the "King of the Jungle". They can live more than 15 years in the wild. In Kuwait we don't have jungles, but we can see lions at Kuwait Zoo. Lions are beautiful and very strong, they can run very fast. Lions have sharp teeth and they eat meat. Their colour is usually light brown. Lions are active at night, they are very dangerous. All animals are frightened when they hear lion's shout.
